

Evidencing the impact of Primary PE and Sport Premium

It is expected that schools will see an improvement against the following 5 key indicators

- The engagement of all pupils in regular physical activity, kick starting healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Purpose of the sports grant: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

Sports Premium Fund for 2016/2017 academic year: £8,950

Overall impact of the PE and Sport Premium 2016-2017

Key priorities to date	Key achievements/what worked well	Key learning/what will change next year
New assessment system	Embed the system devised by RM in 2015-2016 by staff completing assessments at the end of each PE unit and recording in the tracker.	All assessments will have been completed on the digital trackers and evidence added to the digital Trello portfolio as an evidence base
Achieve the Gold Games Mark to build on the Bronze and Silver Marks achieved in 2015-2016.	Improve the number of clubs for all age groups. Develop a variety of clubs on offer. Target ch who don't often attend	Achievement of the Gold Games Mark by Summer 2017.

	Increase number of competitions across the year.	
Teacher knowledge in areas such as dance, gymnastics and invasion games have been developed during curriculum support sessions.	Use coaches to improve subject/skill knowledge for all teaching staff	Staff will be able to deliver and plan sessions in the areas covered and this will be reflected in observations during 2017-2018.
Raise the profile of PE and sport across school.	Further develop the Trello digital portfolio, increase the role of the Sports Crew, develop more clubs through greater staff involvement and use the Sports blog/Twitter to showcase Sport at Unsworth.	The digital portfolio will evidence PE across all year groups for 2016-2017, timetables will document staff involvement and learning conversations from children will highlight the impact of the Sports Crew.
Further develop communication with parents and children regarding sporting events	Improve the way in which we communicate with parents through daily tweets, sports information board, letters, newsletters and blogs.	A parent/child questionnaire will collect positive views about the profile of sport within school.
Develop & embed a PE route map	Develop clear guidance on key areas to cover in PE sessions - we share, we explore, we apply and we evaluate. The evaluate aspect will be monitored through observations.	A PE route map will be in place and used by staff to plan and deliver units of work. The "evaluate" aspect will be monitored during the Summer term through short observations.,

The impact and amount spent during the 2016/2017 academic year			
Autumn Term- Expenditure			
Activity	When/Duration	Amount	Impact
Scooter experience day for all classes YR - Y6	14 th October all day	£500	All ch across the school were involved. Ch shared enjoyment from the event and mentioned they were able to share their scooter skills with their peers. Ch commented on how fun the day was and how the music outside all day was fun too.
