

National Curriculum 2014	Skills and Techniques for Drawing	Skills and Techniques for Painting	Skills and Techniques for Printing	Assessment
<ul style="list-style-type: none"> To use a range of materials creatively to design and make products To use drawing, painting and sculpture to develop and share their ideas, experiences and imagination To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space About the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work. 	<ul style="list-style-type: none"> Experiment with a variety of media; pencils, rubbers, crayons, felt tips, charcoal and chalk Name, match and draw lines/marks from observations. Draw on different surfaces with a range of media. Observe and draw shapes from observations Investigate tone by drawing light/dark lines. Investigate textures by describing, naming, rubbing and copying <p><u>Resources</u> Pencils hard and soft Coloured pencils Charcoal Chalk Pastels</p> <p><u>Enquiry Links</u></p>	<ul style="list-style-type: none"> Use brushes of different size and type. Explore the relationships between colours, identify the primary colours by name. Use these newly made colours in their own compositions and experiment with scrapping, and colour washing. Look for these colours in the surroundings and notice in images and artefacts. Work on different scales. Use a simple graphics package to create images and effects- focus on the eraser and pen. <p><u>Resources</u> Medium brushes long and short handled Poster paints pallet Variety of paper of different colours and textures. Sponges</p> <p><u>Enquiry Links</u></p>	<ul style="list-style-type: none"> Print with a range of hard and soft material such as cork, pen barrels or sponges. Make simple marks on rollers or printing palettes. Build repeating patterns and recognise pattern in the environment Introduce mono-printing with rollers. Make rubbings to collect textures and patterns. Experiment with over printing. <p><u>Resources</u> Classroom objects Papers Paint/Printing Paint Rollers Trays</p> <p><u>Enquiry Links</u></p>	<p>Drawing</p> <ul style="list-style-type: none"> Can ch use different media to name match and draw lines or marks from observation? Are ch able to explain what the term tone means? <p>Painting</p> <ul style="list-style-type: none"> Are ch able to name the primary colours and discuss them in other paintings? Can ch use a graphics package to create a painting on screen using the brush and eraser tools? <p>Printing</p> <ul style="list-style-type: none"> Are ch able to use rollers or different materials to make repeating patterns or an over print? <p>Collage</p> <ul style="list-style-type: none"> Are ch able to arrange and glue different media to create an image? Can children select their own materials and fold, crumple or tear to overlap? <p>Textiles</p> <ul style="list-style-type: none"> Can ch cut, shape or match materials within their work? Can ch create a simple basket weave creation? <p>3D Work</p> <ul style="list-style-type: none"> Can ch make a sculpture by rolling and kneading malleable material or joining recycled materials? <p>Exploring and Developing Ideas</p> <ul style="list-style-type: none"> Can children record and explore ideas from first hand observations? Can children name a talk about the work of two artists or craftsman that they have learnt about? <p>Evaluating and Developing Work</p> <ul style="list-style-type: none"> Can children review what they and others have done and say what they think and feel about it?
	<p>Skills and Techniques for Collage</p> <ul style="list-style-type: none"> Create images from a variety of media e.g. photocopies material, fabric, crepe paper , magazines etc Arrange and glue materials to different backgrounds Fold, crumple, tear and overlap papers Work on different scales Create and arrange shapes appropriately <p><u>Resources</u> Magazines Newspapers PVA glue Variety of papers-tissue, crepe, card and coloured. Selection of collage materials from central resources for children to choose from.</p> <p><u>Enquiry Links</u></p>	<p>Skills and Techniques for Textiles</p> <ul style="list-style-type: none"> Match and sort fabrics and threads for colour, texture, length, size and shape Cut and shape fabric using scissors/snips Apply shapes with glue or by stitching Apply decoration using beads, buttons, feathers etc Apply colour with printing or fabric crayons Create fabrics by weaving materials. <p><u>Resources</u> Wools and silks Ribbons Braids Dye and Fabrics Paper strips Large needles Fabric glue Card looms/wooden looms for group work</p> <p><u>Enquiry Links</u></p>	<p>Skills and Techniques for 3D Work</p> <ul style="list-style-type: none"> Manipulate malleable materials in a variety of ways including rolling and kneading Explore sculpture with a range of malleable media Understand the safety and basic care of materials and tools Experiment with constructing and joining recycled, natural and manmade materials <p><u>Resources</u> Plasticine Play dough Salt dough Clay Rolling boards and tools Variety of junk PVA/Marvin Medium</p> <p><u>Enquiry Links</u></p>
