

Parents' Safer Parking Charter

I hereby agree to abide by the guidelines outlined within the Safe Parking Charter, which has been established by Unsworth Primary School, and Bury Council's Road Safety Team. This charter has been developed to improve the safety of children and adults attending Unsworth Primary School and improve the quality of life for those within the school environment. By signing up to this charter you agree to:

Drive safely, within the school area, adhering to the speed limits and driving in accordance with the Highway Code.

Not to park on Blackley Close or the junction of Blackley Close and Chadderton Drive. By keeping this area clear this ensures that parents and children can walk to and from the school gate safely.

Not to park on any double yellow lines.

Avoid parking in a way that would block or cause an obstruction to the school entrance/exit, residents' driveways and/or junctions.

Not mount the pavement when stopping or parking, allowing pedestrians to be able to walk on pavements and space for prams to pass.

Not to use the staff car park as a pick up or drop off point for your children. Parking permits can be issued for those with a disability badge or other reason why they need to use the school car park.

Park so that your child is able to leave the vehicle on the pavement side away from any conflict with traffic.

Pay particular attention for other children at the side and rear of the vehicle when parking, dropping off or setting off.

Avoid double parking, so as not to adversely affect the flow of traffic or access for emergency vehicles.

Not park too close to the School Crossing Patrol, so as not to make their job more difficult and dangerous, and to enable a safe gap to cross pedestrians.

Respect local residents and businesses by not parking in a way that blocks access or egress to their homes or premises.
