

Evidencing the impact of Primary PE and Sport Premium

It is expected that schools will see an improvement against the following 5 key indicators

- The engagement of all pupils in regular physical activity, kick starting healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Purpose of the sports grant: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

Sports Premium Fund for 2017/2018 academic year: £17,950

Overall impact of the PE and Sport Premium 2017-18

Key priorities to date	Key achievements/what worked well	Key learning/what will change next year
Maintain the School Games Gold Mark achieved in 2016-17	Improved the number of clubs on offer Increased number of competitions across the year.	Retention of the Gold Games Mark. Further variation in competitions/clubs. e.g. American football club. Competitions - swimming gala, indoor athletics competition
Continue to increase the confidence, knowledge and skills of all staff in teaching PE and sport during curriculum support sessions.	Used coaches to improve subject/skill knowledge for all teaching staff	Staff will be able to deliver and plan sessions in the areas covered and this will be reflected in observations during 2017-2018.

<p>Raise the profile of PE and sport across school.</p>	<p>Further develop the Trello digital portfolio, increase the role of the Sports Crew, develop more clubs through greater staff involvement and use the Sports blog/Twitter to showcase Sport at Unsworth.</p>	<p>The digital portfolio will evidence PE across all year groups for 2017-2018, timetables will document staff involvement and learning conversations from children will highlight the impact of the Sports Crew.</p>
<p>Further develop communication with parents and children regarding sporting events</p>	<p>Improve the way in which we communicate with parents through daily tweets, sports information board, letters, newsletters and blogs.</p>	<p>A parent/child questionnaire will collect positive views about the profile of sport within school.</p>
<p>Continue to offer a broader range of sports and clubs to the children, targeting those children who do not attend clubs regularly.</p>		<p>Ensure class teachers are aware of the children in their class that do not attend sports clubs. Devise a questionnaire to find out which clubs that these children would like to attend. Subsidize costs for clubs if required e.g. judo. Purchase equipment which the school does not currently have if required.</p>
<p>Continue to embed the assessment system</p>	<p>Embed the system devised by RM in 2015-2016 by staff completing assessments at the end of each PE unit and recording in the tracker.</p>	<p>All assessments will have been completed on the digital trackers and evidence added to the digital Trello portfolio as an evidence base. Teachers/coaches will use this assessment to inform planning/ lessons.</p>

The impact and amount spent during the 2017/2018 academic year
