Dear Parents,

I have been asked by Elaine Parkinson, Executive Headteacher of Elms Bank School to assist in a consultation regarding Unsworth Library.

As you may know the council is closing Unsworth Library. They are giving the opportunity to other organisations to operate the library including changing its use.

Elms Bank School are putting together a business case to operate Unsworth Library and they intend to use it as a library and community centre.

This will be run by their students with the support of experienced staff and will provide them with the opportunity of 'real life' learning. It will also continue to provide a much needed resource in the community. We intend it to be run to benefit all members of the community.

Elaine has asked me to contact parents and see if they would be kind enough to complete the enclosed questionnaire. This will assist the school in being able to understand the needs of the community.

I recognise that this is a tight deadline but if you would like to contribute your views please complete the questionnaire and return the information back to me by Monday 20<sup>th</sup> November 2017.

Yours sincerely

*C Reynolds*
