Mobile Phone Policy for Pupils

Mobile phones, alongside other forms of technology, are changing the way and speed in which we communicate. They can provide security and reassurance; however there are also associated risks. Children and young people need to understand these risks in order to help them develop appropriate strategies for keeping themselves safe.

Unsworth Primary School accepts that parents give their children mobile phones to protect them from everyday risks involving personal security and safety. It is acknowledged that providing a child with a mobile phone gives parents reassurance that the child can contact the parent if they need to speak to them urgently on their way to or from school.

In the light of these circumstances Unsworth Primary School has established the following Acceptable Use Policy for mobile phones that provides parents and pupils with guidelines and instructions for the appropriate use of mobile phones during school.

While we acknowledge a parent's right to allow their child to bring a mobile phone to school, Unsworth Primary School discourages pupils from bringing one to school.

1. Parents and pupils must read and understand the Acceptable Use Policy before they are given permission to bring mobile phones to school.
2. The Acceptable Use Policy applies to pupils during school hours on the school site. Mobile phones are not permitted on school trips or residential visits.
3. If parents need to contact pupils for any reason during the school day this should be done via the school office and not via a mobile phone.
4. Only pupils who have written permission from their parents are entitled to bring mobile phones to school. We advise parents to only request permission for pupils who walk to and from school on their own.

This request is only available to Y5 and Y6 pupils. Please complete the attached permission slip if you wish your child to use his/her mobile phone and return it to your class teacher.

5. If pupils bring a mobile phone to school, the phone must be switched off and handed into the class teacher until the end of the day.
6. Any mobile phone seen on the school premises being used at an inappropriate time will be confiscated immediately by a member of staff until the end of the day. At this time, it will be the responsibility of the parents to collect the phone from school, NOT the pupil. If a pupil is found taking photographs or video with a mobile phone of anyone, this will be regarded as a serious offence and disciplinary action will be taken including a meeting with parents.
