Dear Parents and Carers

Milk Provision

The milk provision for all children will recommence on Monday 15th April. The LEA continues to co-ordinate the system and as a result is able to obtain the EEC grant. Government guidelines on nutritional standards means that milk supplied to schools will be semi skimmed. Milk will be charged for at a rate of 18p per carton and the cost for the whole of the summer term will be **£10 per child**. Please note if your child is entitled to Pupil Premium funding then there will be no cost incurred.

Conditions For Milk Provision in Unsworth Primary School

- The commitment to the provision of milk shall be for one term.
- The termly remittance is to be paid in advance.
- No credit can be given for absences.

Payment for milk can be made online or by telephone, using a debit card, via our e-payment system. We would encourage parents and carers to use this method of payment rather than paying by cash. Please contact the school office if you require further details.

If you prefer payment can be made by cash or cheque (made payable to Bury MBC). Payments should be in an envelope marked clearly with your child's name and class. Payment should be made by **Thursday 28th March** at the latest. Please contact the office if you have any questions or queries.

Yours sincerely

C REYNOLDS (MRS)
Headteacher
