

Before and After School Club

We are very happy to be able to welcome your children back into Before and After School Club next week.

We have worked hard on making sure this can be done safely which is why we have changed how we are going to operate the club.

Here is an outline of what we have put in place so you and the children know what to expect.

Before School Club

Parents and children will be greeted at the main entrance between 8am-8.50am. Please can we ask you to observe social distancing along the green fence.

Children will be brought in by a member of staff and registered.

They will then be seated in year group bubbles for breakfast in the hall. This will be served by their bubble staff member.

Afterwards they will go to their classrooms with activities (table top games, arts and crafts) with Y5 and Y6 staying in their separate hall spaces.

Each class bubble will be supervised by a member of BASC staff (staff member might change throughout the week).

After school Club
