## Online Safety

During Spring Term, the children were involved in an assembly dedicated to 'Online Safety Day' in February.

The assembly talked about all the wonderful things that the internet can provide, but also educated the children on the potential dangers of the internet if it is not used safely.

Some of the themes discussed were :

- Social media platforms
- Not talking to strangers on gaming platforms
- Not opening emails from people who you do not know
- Not sharing your pictures and personal details online
  - Online bullying
- Looking after your well-being online.

# Looking After Your WELLBEING ONLINE

We all know that taking care of our minds and bodies is essential to keep us feeling happy and healthy. The thing is, we spend so much of our time online these days that it's also important that we remember to look after ourselves in the digital world, too. Our poster has got some simple but useful tips for supporting your wellbeing while you're gaming, on social media or just using the internet.
