Together we build understanding

As we enter the Spring Term with renewed energy and optimism, I can't help but feel a buzz of excitement as we embark on a new year together.

Here at Unsworth Primary School we are continuing to strive for excellence, supporting each child to fulfil their potential. We want to ensure children develop a love of learning; a thirst for knowledge and a drive to go above and beyond to be the best they can be.

We are continuing to focus on respect, a mutual respect between children and adults. Children are showing off their manners around school, remembering their 'pleases' and 'thank yous' and holding the door open to each other. This week, Unsworth felt calm and purposeful, the children have come back with super attitudes, ready to learn and excited to be with their friends and teachers!

I am so proud of the improvements we can see across school.

Such a positive start to 2024!

Home Learning Grids

Home Learning Grids have been sent home last week and also are uploaded to SeeSaw.

The home learning grids are designed to suit the needs of different families and the demands of busy family life whilst still ensuring that children are supported in their learning. Children benefit from spending time with their family, talking about their learning.

SMART - Spelling, Maths and Reading together.

Please upload examples of home learning to SeeSaw. Classteachers will share home learning from SeeSaw in class.

Little and often really makes a huge difference to childrens' progress.

Coram Life Education. Look out for photos and details on SeeSaw this week.

Earrings

As per the uniform policy, children are permitted to wear one small pair of plain stud earrings. Please support school with this policy.

No other jewellery should be worn to school.

Adverse Weather Conditions

In the unlikely event that school cannot be open due to adverse weather we will put a **message on Parent Hub** by 7.30am or as soon as possible.

Many staff live a distance from school so on some occasions we may have a phased opening up to 10am.

We will always endeavour for school to be open as normal and will communicate as soon as we have a decision.

Thank you for your support and understanding.
