Together we build understanding

Welcome back to the second part of Spring Term, I hope you all had a nice week away from school and managed to enjoy some family time.

This week we get straight back into a busy week. Year 5 are performing with violin assembly this afternoon—parents and carers are welcome to join us from 2.35pm—the assembly starts at 2.45pm.

Rainbow Disco

Wednesday 28th February 3.30pm –5pm

If you would like a ticket please purchase on Parent Pay **by Tuesday at 9am.**

If children are attending they need to bring a change of clothes in a named carrier bag. Colourful clothes is the theme, but anything children would like to wear is fine.

Children need to be collected from the playground at 5pm. KS1 and Reception will be seen out from 4.55pm and KS2 at 5pm.

If your child needs to stay in after school club until 5.30pm they can be collected from the front entrance as normal.

World Book Day ~ Friday 8th March

We are asking children to dress up as a Book Character of their choice on Friday 8th.

We are also holding a Potato Book Character Competition. If children would like to they can create a potato book character. There will be a winner from each class.

If children would like to they can bring in their potatoes on Thursday 7th or Friday 8th March.

There are lots of ideas online!

House Points Winners

We are raising the profile of house points. Last half term the winners were **Lowry** as a treat for winning all the children in Lowry can come in their own clothes on Friday. All children should know which house team they are in but as we start this new system we will send a slip of paper home with all the children in this team. Siblings are in the same house team.

Thank you for supporting this new reward, we know it will mean a lot to the children and really raise the profile of the house points.

There are four teams

Lowry

Neville

Peel

Pankhurst

Student Update Forms

These were sent home before the half term. Please return to school with any amendments as soon as possible, so we can keep our database up to date.
