## Monday 5th February

Primary School

Together we build understanding

Week four of the Spring Term is done, time is really whizzing by. It has been lovely to see so many parents acting on the messages from last week's newsletter. We have seen lots more posts on SeeSaw; children engaging in learning and reading at home! Thank you for working in partnership with us!

Another super week in school! Lots to celebrate! We are really proud of the wide curriculum offer our children receive week in, week out! Check out the calendar dates to see what is in store this week.

### Sign of the Week

As a school we use a total communication approach and follow sign along for our signing.

Each week the children are learning a new sign. This week it is 'school'. Follow the link to see how to do the sign. Thank you!

**A number of families are still not contacting school to let us know if their child is ill.**

Please remember to phone or email to let us know if your child is going to be absent. We waste a lot of staffs' time chasing up children that aren't in school and we don't have a reason for them being absent. We have a duty of care to safeguard all children.
