Together we build understanding

A wonderful week...

Our Y2 children had a fantastic time on their trip to Martin Mere, where they were thrilled to see the otters and take part in pond dipping — and luckily, the weather stayed fine for their adventure. Reception have been full of excitement as they released their butterflies this week, having loved watching the caterpillars grow and transform as part of their learning about life cycles. They also enjoyed their time in Forest School, exploring nature hands-on. Meanwhile, Y3 have been busy playing Spanish bingo and diving into Roman history, using their research on Roman soldiers to inspire some brilliant poetry. In Y5, children began their new D&T project on Architecture by experimenting with paper straws. In assembly on Friday we launched our new **DIAMOND** certificates for 300 house points. Eight children received a certificate! Congratulations to Zach in Y6—he won the huge bundle of sweets—correctly guessing the weight at Party in the Playground!

School Payments

Please make payment via Arbor for any school meals or Before and After School Club fees outstanding. Reminders were sent last week via email. If you need any help with Arbor, please contact the school office. Thank you
