Busy week in school!

What a fantastic week it's been in school!

We were thrilled to welcome our new Reception children for their first visit—full of excitement as they begin their journey with us. All pupils took part in Move-Up Day, meeting their new teachers and getting a taste of what's to come in September. Reception children also had a brilliant time developing their cycling skills during their Balance Bike sessions.

Meanwhile, our Year 6 production is coming together beautifully and our Year 5 and 6 Cricket team made us incredibly proud by finishing 3rd out of 16 schools in the finals—a superb achievement! We also welcomed students from Thornleigh and Hazel Wood for their work experience week, who brought great enthusiasm and support to our school community. Our Linc class enjoyed a wonderful Forest School session with Mrs Edwards. Year 5 pupils discovered who their Reception buddies will be next year, writing thoughtful welcome letters to begin building those special relationships.

As always, thank you for your support, especially at this very busy time of year!

Certificate winners

Well done to these superstars! They were all awarded a certificate on Friday during our praise assembly.

Reception Balance Bikes Fun!

Our Reception children have had an exciting and enriching experience this term through a series of balance bike sessions, led by three expert instructors, including the inspirational Kiera Byland BEM.

These sessions have been a fantastic opportunity for children to develop their gross motor skills, coordination and balance in a fun and supportive environment. As they learned to glide and steer, their confidence grew with every session—many even progressing to riding independently! The sessions were filled with laughter, encouragement, and a real sense of achievement. It's been wonderful to see our youngest pupils not only learning new physical skills but also building resilience, self-belief, and a love for active play.

Survey results ~ thank you!

Thank you to everyone who completed our parent survey. We were really pleased with the results.

So many of you took the time to complete it and leave some really positive feedback - so thank you, it really does mean so much to me and the team. We all work so hard and feel passionate about our Unsworth community.

97% of parents would recommend our school to another family. This is lovely to hear! All our staff work so hard to ensure of school community is happy and thriving - so thank you for your feedback!
