Together we build understanding

## Spellingframe

Dear Parents and Carers,

As you will all be aware from the information shared at the Meet the Teacher events, we have invested in a new resources to support the children with their spelling – SpellingFrame.

All children from year 2 upwards have log in details for this website, and they are stuck in both their reading record and spelling book.

Age appropriate spellings will be taught weekly by the class teacher, with a test/quiz happening every **Thursday**. Spellings are taken from the National Curriculum, and follow various rules and spelling patterns. New spellings will be sent home on a **Friday**.

Spellings can be practiced the 'traditional' way with pen and paper, or children can access various games and activities on SpellingFrame to develop confidence and expertise in their weekly spellings. Children earn points on the website the more they play, with effort being highly rewarded. The children will have opportunity to access the website at school on laptops and iPads at various times throughout the week. We would like parents to support us by using this resource at home too.

If there are any further questions, please do not hesitate to email the office or speak to your child's class teacher.

Thank you in advance for supporting your children with this at home.

Yours sincerely

Mrs J Grundy  
Headteacher
