## Busy week in school...

This week has been a busy and positive one in school. Our Y5/6 football team showed great determination in the quarter finals against Holcombe Brook, playing with real team spirit despite a 6-0 loss.

Across classrooms, there has been some super learning taking place, and the school has felt **calm, focused, and purposeful**. Our Year 6 coaching sessions have also restarted, supporting pupils as they develop independence and prepare for the organisational demands of high school—an important part of their transition. Year 6 each have a staff member as their coach, to support and challenge them.

I completed our final show round for prospective Reception parents this week, following many tours over the past four months. The response from families has been overwhelmingly positive, with parents commenting on the high levels of engagement, excellent behaviour, and the warm, welcoming atmosphere at Unsworth.
