MONDAY 2 MARCH 2026

What a fantastic week of learning it has been across our school!

Our Linc children began the week by chopping fresh vegetables to make some delicious soup, while our Nursery children have been busy learning all about dinosaurs. In Reception, the children have loved taking their learning outdoors as they explored animals and their habitats. Year 1 have been growing in confidence counting in tens, and Year 2 have been working hard to recognise coins and calculate amounts of money. Year 3 are excitedly preparing to perform their assembly for families on Wednesday and have continued their fascinating work on volcanoes. Year 4 have been thoroughly enjoying their new novel *The Brockenspectre* and celebrated their first swimming lesson of block two on Friday. Year 5 have been developing their skills using protractors to measure angles and are looking forward to showcasing their violin assembly to parents and carers this afternoon. Meanwhile, Year 6 have started reading their new novel *The Wolf Wilder* and have been learning how to use voltmeters in science.

What a brilliant week of curiosity, creativity, and achievement—well done to everyone!

Operation Encompass

Operation Encompass is a police and school early intervention safeguarding information sharing partnership which supports children experiencing domestic violence and abuse.

Where there has been a domestic abuse incident in which police have attended, the police will notify school who can support the child in school. This information is shared within the safeguarding team.

Please be in touch if you want any more information on this or to discuss further.

**OPERATION
ENCOMPASS**

In every force. In every school. For every child.

Nursery places

If you have a sibling that you would like to attend our nursery - please ensure you have placed their name and date of birth on our waiting list by emailing the office. We are almost full for September and we wouldn't want any siblings to miss out on places. Thank you
