Party in the Playground ~ Thank you

A **huge thank you** to all our parents and carers for your wonderful support of our Party in the Playground. It was fantastic to see so many families come together and enjoy the afternoon with us.

We are **incredibly grateful** to those who gave up their time to help set up, run stalls and tidy away afterwards. Events like this may only last a few hours, but they require a great deal of planning and preparation behind the scenes. Our PTA volunteers work tirelessly to organise stalls, shop for prizes, and ensure everything runs smoothly – we simply couldn't do it without them, so a massive thank you to everyone involved.

We are also very grateful to everyone who attended and supported the event, particularly in the extremely hot weather. Your support makes such a difference to our school community.

We are hoping to have raised a fantastic amount for our school fund. With our library development now almost complete, funds raised will go towards further enhancing our playground spaces for the children to enjoy.

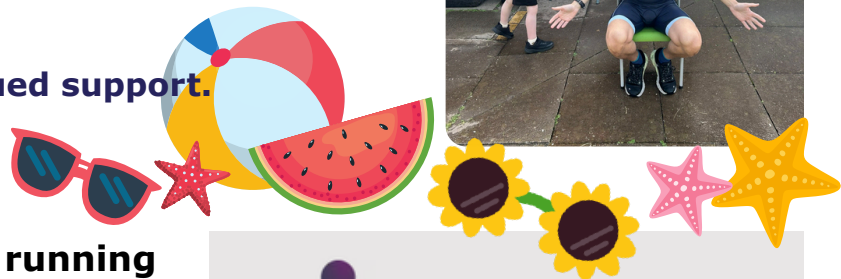

Thank you once again for your continued support.

Attendance remains important

Following the hot weather last week, we understand that attendance was affected; however, we now have just three weeks (15 school days) remaining, and it is really important that all children who are well attend school every day. Learning continues right up until the very end of term, with valuable teaching, activities and opportunities still planned for all year groups.

Every day in school counts – not only for academic progress, but also for routines, friendships and a positive end to the year. Thank you for your continued support in ensuring your child attends regularly and arrives on time.
