## Forest School

Forest School is an opportunity for the children to explore nature and develop new skills in a hands-on environment. When children are taking part in forest school, they must be dressed for the weather. This could mean waterproofs, layers, hats and gloves if needed. Please can the children arrive at school in their PE kit and a change of footwear such as an old pair of shoes, wellies or walking boots.

## Robin Wood

Our Year 6 pupils had a fantastic three-day residential visit to Robin Wood in Todmorden. Throughout the trip, the children were impeccably behaved and represented Unsworth Primary School wonderfully well. They were a real credit to their families and our school, demonstrating our values of kindness, respect and resilience in everything they did.

The children embraced every challenge with enthusiasm and determination, taking part in a wide range of exciting activities including raft building, canoeing, climbing, the zip wire, crate stacking and Team Quest. Many children stepped outside their comfort zones, showed great teamwork and perseverance, and achieved things they never thought possible.

The residential provided an unforgettable experience, creating lasting memories and giving the children opportunities to develop confidence, independence and friendships.

A huge thank you must go to the staff who accompanied the children. Their commitment, support and willingness to give up time with their own families made this incredible experience possible. Without them, trips like this simply could not happen.

Well done, Year 6. You did yourselves, your families and your school proud. We are incredibly proud of each and every one of you! 🌟

Unsworth  
Primary School

## Walking and biking

We are so pleased so many people are walking to school, supporting healthy habits for the children as well as working with our neighbours to not create parking hazards. Lots of children are bringing bikes and scooters on their walk; you are welcome to keep these in the bike shed on the playground. Please ensure children are not on their bikes or scooters when on the playground as it is so busy and we do not want any accidents. Thank you.

## Coats in school everyday

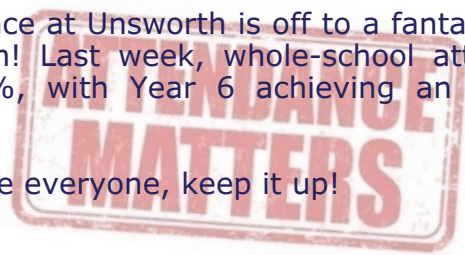

Please ensure children bring a waterproof coat to school everyday. The children play out at lunchtime if it is drizzling, only coming inside if the rain is heavy. Thank you

## School Attendance

Attendance at Unsworth is off to a fantastic start this term! Last week, whole-school attendance was 98%, with Year 6 achieving an amazing 100%.

Well done everyone, keep it up!

## Library - Grand Opening!

This week, we were delighted to officially open our new library with Janet Adams, Chair of Governors and Trustee of Oak Learning Partnership. Janet shared some of her favourite books with the children before cutting the ribbon to mark the occasion.

The library has been created over the past six months thanks to the fantastic fundraising efforts of our PTA and a very generous donation from a parent. It is a beautiful space where children can enjoy stories, develop a love of reading and research their curriculum through a wonderful range of high-quality books.

A huge thank you to everyone who helped make this project possible. If you would like to support future projects and events, our PTA meeting takes place next Monday and we would love to welcome some new parents to get involved.
