Learning this week

It has been another busy and exciting week of learning across school! Year 5 have begun learning to play the violin, alongside getting hands-on with some fantastic practical science experiments. Year 1 enjoyed a brilliant computing lesson, while our Key Stage 2 Forest School Club has been making the most of learning outdoors.

It has also been wonderful to see even more children enjoying our new school library. Year 6 are busy preparing for their upcoming assembly. A huge congratulations to our new Year 6 House Captains: Abbie, Elsie H, Mia and William B. We know they will do a fantastic job representing their house teams.

There has been so much lovely, practical learning taking place across school this week. We remain committed to making learning fun, engaging, hands-on and relevant for all our children.

Extra Curricular Clubs

We are very pleased to have a number of extra curricular clubs running for Key Stage 2 this half term, with half of children in Years 3 to 6 accessing clubs. We keep a record of who has been to which club across the year, so as we offer more clubs each half term we are hoping there is something to appeal to everyone, and we can make sure we are offering all children who wish to attend a club the opportunity to at least once. Please note, we do not offer clubs on a 'first come, first served' purpose as we know not everyone is able to apply immediately, instead allowing interest to be registered over a few days and then messages are sent to those who have secured a place in due course. We are finalising our clubs offer for the whole year to extend from Nursery to Year 6, and we are excited to be able to share it with you soon.

Thanks as always for your understanding and co-operation, if you have any questions or want to offer any suggestions for future clubs please get in touch.

PTA Meeting ~ Tonight

Our PTA Meeting will be held on Monday 28th September at 5:30pm. Everyone is welcome so please come along and join us.

Values Certificates

Well done to these superstars! They were all awarded a certificate for showing off our school values on Friday during our praise assembly.

Year 6 SATs Evening

Next Monday 5th October we are holding a session for Year 6 parents to explain all there is to know about the Y6 SATs tests next May and hope we can work in partnership to support your child.

Building Works Update

Great news! After several frustrating delays, our building works are now back on track. We are hopeful that Reception and Year 1 will be back in the main building by the end of half term, with careful transitions planned for the children.

We are also really excited about upcoming improvements to the Reception outdoor area and look forward to sharing further updates with you.

Climbing Frame

We know the children love utilising our fantastic climbing frame and play area, however a reminder that it is closed in the morning and after school. Please do not let children play on this area during this time.
