Parents Evening

Parents evening will be taking place on Monday 19th October from 3:30pm until 7pm and on Wednesday 21st October from 3:30pm to 5:30pm.

A Parent hub was sent on Friday 9th detailing how to book your 8 minute slot with the class teacher.

Appointments can be made until Friday 16th October at 11am when the booking system closes.

If you have children in different classes, the system will give a gap of 10 minutes between appointment times to allow time to get to the next class.

Please enter through the main entrance. Please arrive at least five minutes before your appointment so that you can look at your child's learning.

Another busy and enjoyable week at Unsworth! We were delighted to welcome families to our Year 4 Class Assembly, where the children proudly shared some of their fantastic learning. They spoke clearly and enthusiastically about their Science work on food chains and the digestive system, as well as their History learning about the Anglo-Saxons. Well done, Year 4!

Both Year 3 and Year 4 also enjoyed their Forest School sessions, while our Year 6 football team represented the school brilliantly at Goshen, playing against Holcombe Brook, Bury Grammar and other local schools.

Our extra-curricular programme continues to be as busy as ever, with Mad Science, Forest School, multisports and football, alongside cross-country and choir at lunchtime.

We are incredibly lucky to have such a wide variety of activities taking place, giving our children so many opportunities to learn new skills, follow their interests and enjoy experiences beyond the classroom.

Values Certificates

Well done to these superstars! They were all awarded a certificate for showing off our school values on Friday during our praise assembly.

Year 5 Assembly

Our Year 5 assembly will be held on Wednesday 14th October.

Doors open at 2:40pm. We look forward to welcoming you! Prompt start at 2.45pm!

Sport News

Y6 Football team won one of their three games in their matches this week. We were so proud of their resilience and attitude!

Playground Safety

Please help us to keep everyone safe by ensuring children remain with their parent or carer before the school doors open. Children should not run or play chasing games, ride bikes or scooters, or use the climbing frame or play equipment before or after school. Younger siblings should also be closely supervised. Our playground is extremely busy at drop-off and pick-up, so your support in reinforcing these expectations is greatly appreciated. Thank you for helping us keep our whole school community safe.

SeeSaw ~ Home learning

Seesaw is a lovely way for parents and carers to stay connected with their child's learning. Please check the app regularly and enjoy the special moments and examples of learning that teachers share from school. We would also love to see what children have been doing at home, so please upload photos or examples of any activities completed from the Home Learning Grid. It's a great way to celebrate learning both at school and at home! Thank you!
