Our wonderful little school...

At this time of year, I spend a lot of time showing prospective new families around school. It is something I always really enjoy, because it gives me the opportunity to step back and see our school through the eyes of a visitor.

I am always so proud of what I see. School is calm and purposeful, our children are happy and engaged, and there is a real sense of learning taking place in every classroom. This doesn't happen by chance. Behind it is an incredibly hardworking team of teachers and support staff who put so much

thought, care and energy into making sure learning is engaging, supportive and challenging for every child.

We really are blessed to have such a wonderful team, and I never take for granted the commitment they show to our children every single day.

Harvest Donations

As part of our learning about harvest, members from St George's Church spoke to the children in assembly on Friday. We are collecting donations for the Food Pantry, a food bank in Hillock. If possible, please add an extra item to your shopping this weekend. We would welcome dried and tinned food, as well as toiletries such as sanitary products, toothbrushes, toothpaste and soap.

Please send donations in with your child for their class teacher. The final date for donations is Friday 16 October.

Thank you for your support.

Values Certificates

Well done to these superstars! They were all awarded a certificate for showing off our school values on Friday during our praise assembly.
